Thank you for applying to be a Social Ecology Peer Academic Advisor for the 2010-2011 school year. We are excited to get to know more about you during your interview. In order to help you prepare and have a successful interview experience, we have compiled some tips and suggestions. Good luck!

**Before the Interview**
- Do your research! Learn more about the job that you’re applying for. Demonstrating that you’ve done your research shows that you’re truly interested in the position
- Make a list of possible interview questions and practice answering them
- Prepare examples to support your claims
- Think about how you can show the interviewers that you are a good fit for the job
- Prepare a few questions to ask

**Dress to Impress**
- Show that you are professional and serious about the position
- Don’t wear anything distracting such as big jewelry or hats
- Keep clothes modest—no low cut shirts or clothes with bad messages on them
- Men: slacks, button down shirts, ties, suits, dress shoes
- Women: button down shirts, dress pants, skirts that touch the knee, business wear, closed toed shoes

**During the Interview**
- Arrive 15 minutes early
- Don’t assume that we’ve memorized your application—it’s okay to use some of those examples
- Watch the volume of your voice and maintain eye contact
- Watch your body language
- During the group interview show that you’re interested in what the other candidates say and even try to use their names if you refer to them
- Relax! You’re interviewing us, too

We look forward to meeting you!
