## 2008-2009 Academic Advising for Transfers

Congratulations and welcome to the School of Social Ecology! We are excited that you’ve decided to experience the wonderful journey that is majoring in Social Ecology. Now that you’ve decided to major in our school, the next step is to learn about the program and how to select the right classes to progress through your degree. Attending an Academic Advising Session is mandatory – we’ll go over important degree requirements and in the last half of the session **you will actually register for classes** for Fall Quarter. We will help you decide what classes you will need and show you how to enroll in these classes for your first quarter. **Again, attending an Academic Advising Session is mandatory to enroll in classes for Fall Quarter.**

### Transfer Advising Sessions

Submit final (official) copies of your transcripts to the UCI Admissions Office as soon as possible. IGETC (Intersegmental General Education Transfer Curriculum) must be completed before classes begin in the fall. You are subject to UCI General Education if IGETC is not complete prior to matriculation at UCI.

Please be on time to your advising session as space is limited and it may not be possible to reschedule. **All transfer advising sessions are held in Social Ecology Building I in the Computer Lab.**

The dates/times for Transfer Advising Sessions for all majors in Social Ecology are:

Here is a link to a map and directions to UCI:  
<http://www.uci.edu/campusmaps.shtml>

Park in SSPS – it’s in D-7 on the main campus map. Social Ecology Building I is labeled 210 on the map and it’s also in D-7 on the map. Give yourself about 20 minutes to find parking and walk over to SE I. Remember to be on time – we cover lots of information in the beginning so you will have to reschedule for another session if you are late.

\* Transfer Success is offered prior to these advising sessions. Transfer Success is an orientation program that suits the needs of the transfer population. It does not include academic advising, which is why we've scheduled an academic advising session right after Transfer Success. For more information and to register for Transfer Success, visit the Orientation Website - <http://www.dos.uci.edu/orientation/transfersuccess.php>.

## Register for an Advising Session

| OFFICE                             | General Info  | Office #       | Call to RSVP  |
|------------------------------------|---|----------------|---------------|
| Social Ecology<br>Student Services | <a href="http://socialecology.uci.edu/">http://socialecology.uci.edu/</a> | (949) 824-6861 | RSVP required |

Register as soon as possible, as we anticipate our sessions will fill up quickly. To register for classes, **you need to RSVP as least 24 business hours prior to your session.** There are 25 spots per session.

## Things you need for your advising session...

1. **Activate your UCI Net ID prior to attending the session.** You can activate it online: <http://activate.uci.edu/activate/menu.html>. This is super important! You will need an activated your UCI Net ID to register for classes.  
*Also, you might notice that we have placed a hold on your records. (You may have seen this if you have activated your UCI NetID and logged into WebReg - the UCI class registration system.) Please don't worry about this. It is being used as an administrative tool to help us allow you to register when we see you for advising.*
2. **Money** - for parking (\$7.00 for all day parking permit). Purchase an all-day parking permit at the kiosk in the Social Science Parking Structure off Campus Dr. and Stanford.
3. **College transcripts** - transfer students are **required to bring a copy of any transcripts** (unofficial is fine) in case we have not received copies from the UCI Admissions Office.
4. **Pen and paper** - to take notes.
5. **2008-2009 UCI Course Catalogue** (strongly recommended) - you may purchase a copy of the UCI General Catalogue at the UCI Bookstore.

## Things to do in preparation for Fall Quarter...

1. **Get your picture taken for your UCI ID Card at UCI ITEMS** (right across from the Student Center Parking Structure in the brown trailers)
2. **Purchase your 2008-2009 UCI General Catalogue at the UCI Bookstore.** Take time to review the Catalogue; it has official UCI policies and information about specific degree requirements. It also has a section called "Information for Admitted Students," which we think you'll find particularly helpful.
3. **Purchase your UCI parking permit if you will be commuting to UCI and parking in any campus lots.** You can buy it online at [www.parking.uci.edu](http://www.parking.uci.edu)
4. **Take a Campus Tour or walk through campus** to familiarize yourself with building/room locations.

Good luck! We look forward to meeting you.

Best Wishes,
