This plan assumes the following:

- 90 quarter units were transferred into UCI with IGETC Certification completed
- American History, and American Institutions requirements met upon admission
- Soc Ecol 13 is satisfied with a transfer class in Statistics
- Category I Upper Division Writing is met by earning a grade of “C” or higher in SE194W

Students may have fulfilled the equivalent of some required lower-division courses at a community college prior to enrollment at UCI and that will affect your two-year plan. Please review your community college courses with a counselor for any questions you may have. Advanced Placement credit earned also may affect your plan.

This plan is simply a suggestion for how to plan your courses; your schedule will vary based on course availability and your curricular needs.
